

Make a Call *Today* to Fight for Your 5%

Our County Commissioners need to hear from all of us to hold the Mayor accountable.

Make a call today!

Not sure who your commissioner is?

Find them here: <http://www.miamidade.gov/commission/home.asp>

Or call more than one!

Below are some suggestions for what to say, but feel free to **personalize your message:**

- I'm a (job title) at Jackson. I am also a resident and a voter.

- I'm upset that Mayor Gimenez wants to keep taking 5% of my paycheck.

- The Mayor is just building up a big slush fund with that money. What is he doing with that extra \$40 million in his special surplus account?

- I need the money I've earned to pay my bills and support my family. Let us save our own money and use it for our families, spend it in our local businesses.

- Please tell Mayor Gimenez "Enough is enough!" Say "No" to Mayor Gimenez's request to extend the 5% contribution for another year.
