ARTICLE VII - GRIEVANCE PROCEDURE

Section 1. Resolution of Grievances

In a mutual effort to provide harmonious working relationships between the parties to this Agreement, it is agreed to and understood by both parties that the following shall be the sole procedure for the resolution of grievances arising between the parties as to the interpretation or application of the provisions of this Agreement.

It is agreed that every effort will be made by the Union and the Employer to resolve disagreements or disputes informally and promptly prior to the initiation of the formal grievance procedure and at the first step. An employee may be assisted or represented by a representative of the Union at each step of the grievance procedure. Unless the employee requests Union representation, nothing in this section shall prevent the Employer from discussing any incident or circumstance related to any employee without the presence of a Union representative. However, the Employer agrees not to deny representation if it is requested.

Section 2. Definition

A grievance shall be defined as any dispute arising from the interpretation or application of this Agreement, or arising from conditions of employment. A class grievance shall be defined as any dispute which concerns two (2) or more employees within the bargaining unit. Class grievances should name all employees and/or classifications covered in the grievance. The grievance shall be filed on the grievance form supplied by the Employer. Each written grievance, when filed, shall contain the date and time when the grievance arose, a statement of the grievance and facts, the remedy requested; the violation of the specific provision of the agreement which is claimed; the signature of the aggrieved employee and/or the Union representative a brief statement of the facts of the violation claimed, together with the article of the contract violated and the remedy sought. All grievances shall be processed in accordance with the grievance procedure as set forth in this article.

Section 3. Procedure

A. Step 1

This person, or designee, shall meet with the grievant and the Union Representative and shall reply in writing within ten (10) calendar days after receipt of the written grievance.

If the Union is not satisfied with the reply in Step 2, within ten (10) calendar days thereafter the written grievance shall be presented to the Senior Vice President of Patient Care Services. This person, or designee, shall meet with the grievant and the Union

Representative and shall reply in writing within ten (10) calendar days after receipt of the written grievance.

Section 4. Amended Procedure for Certain Grievances

Grievances concerning disciplinary action, health and safety or Union rights, together with all class grievances, shall be submitted in writing directly at Step 3 of the grievance procedure.

Section 5. Class Grievances

In order to minimize the disruption to patient care in the case of class grievances, no more than two (2) employees per shift, per unit, plus a Union representative, shall be released from work for grievance meetings.

Section 6. Time Limits

Failure to observe the time limits for submission of any grievance at any step will automatically result in the grievance being considered abandoned. Failure to meet or to respond to a grievance within the prescribed time limit will automatically move the grievance to the next step.

Extensions of time limits shall only be by mutual agreement in writing between the parties to this Agreement, except that either party shall be permitted one (1) extension of time per grievance as a matter of right not to exceed fifteen (15) days, providing that the other party is notified in writing of the extension prior to the expiration of the original period.

Section 7. Employee Obligation

The parties acknowledge that as a principle of interpretation, employees are obligated to work as directed while grievances are pending, except as set forth in Article XXIII, Safety and Health, of this Agreement.

Section 8. Employer Responses

All responses required in Steps 1, 2 and 3, above, shall be directed to the aggrieved employee with a copy furnished to the Union. In class grievances, copies will be directed to the Union only. A rejection of a grievance at any step of the procedure must contain a statement of the reasons for the rejection.

Section 9. Exclusions

Any subjects excluded from the arbitration procedure (Article VIII) shall also be excluded from the grievance procedure with the sole exception of reprimands, which shall be grievable but not arbitrable as provided under Article IX, Disciplinary Action, Section 3, Reprimands. The determination of the Nurse Staffing Ratios shall not be grievable, arbitrable, or subject to impasse under Chapter 447 of Florida Statutes.

ARTICLE VIII - ARBITRATION

Within thirty (30) calendar days following notification to the Employer, the Union ~~must shall file a request for a list of 7 arbitrators from FMCS arbitration.~~ The Union must simultaneously provide the Employee/Labor Relations Department with a copy of the request for arbitration panel and the applicable grievance. Within 10 calendar days of receipt of the FMCS arbitration panel, the parties shall confer and each shall strike from said list alternately, with the Union striking first. If the parties cannot agree upon an impartial arbitrator within five (5) days, the parties shall request a list of seven (7) arbitrators from FMCS or AAA. The parties shall each strike from said list, alternately, three (3) names, after determining the first strike by lot, and the remaining name shall be the arbitrator. The arbitrator shall promptly conduct the hearing on the grievance at which both parties shall be permitted to present their evidence and arguments. The decision of the arbitrator shall be rendered in writing no later than thirty (30) days after the conclusion of the hearing, and such decision shall be final and binding.

Each party will pay its own expenses and will share equally in expenses incurred mutually in arbitration including the cost of the transcript, if mutually requested. The FMCS filing fee shall be borne by the party requesting arbitration. Employees required to testify will be made available without loss of pay; however, whenever possible, they shall be placed on call to minimize time lost from work and, unless directly required to assist the principal Union Representative in the presentation of the case, they shall return to work upon completion of their testimony. The intent of the parties is to minimize time lost from work and disruption of patient care.

The arbitrator shall limit his/her opinion to the interpretation or application of this Agreement and shall have no power to amend, modify, nullify, ignore or add to the provisions of this Agreement.

Grievances, as defined, may be submitted regarding the matters contained in the Agreement or arising from conditions of employment.

It is agreed that, except in emergency situations employees will not be expected to routinely perform duties outside the general scope of nursing practice. Consistent short staffing, whether of RNs or support personnel shall not be considered as emergency situations. The employer agrees to make a good faith effort to minimize non-nursing duties and to identify and reduce such duties.

ARTICLE XVI - VACANCIES, TRANSFERS, REASSIGNMENTS, UNIT MERGERS AND FILLING VACANCIES

Section 1. Shift Transfers, Posting and Filling of Vacancies and Reassignments

- A. **Shift Transfers.** Recognizing that access to preferred shifts by nurses can make an important contribution to nurse morale and retention, the parties agree that all available shifts shall first be posted in the unit for a period of 7 days and made available to nurses within the unit by unit seniority.
- B. **Posting of Vacancies.** All unit available vacancies shall be posted in the unit and concurrently throughout all PHT facilities. If employees under paragraph A do not express interest in the vacancy within the first fourteen (14) days of posting, the vacancy shall continue to be posted on bulletin boards located throughout PHT facilities until a job offer is made by Recruitment Services. With written notice to the Union, the Employer may offer employment to an employee prior to the end of the fourteen (14) day posting period, provided that:
1. More than one (1) vacancy exists in the unit.
 2. Priority for shift selection under A above is maintained.

Recruitment Services is responsible for posting all vacancies for which a personnel requisition has been submitted.

- C. **Filling of Vacancies.** During this posting period, current employees with the necessary qualifications will be given preference over outside applicants. When skill, competency and ability are considered substantially equal in the judgement of the Employer, seniority shall be the deciding consideration in filling vacancies. All employees who apply for a posted vacancy shall be advised of the vacancy status as soon as practical. An employee's current salary will not be a determining factor when considering employees for transfer.
- D. There will be no less than two (2) nor more than three (3) weeks notice to the department from which an employee is transferred. In the event that the position being vacated is critical to the operation of the unit, the employee may be retained until such time as the employee is replaced, but for no more than sixty (60) days. However, for pay purposes, transfers will be effective at the beginning of the pay period following acceptance.
- E. An employee returning to a previous permanent status classification within one (1) month will be transferred to the employee's previous position and department unless the position has been abolished or has been filled by another employee with permanent status in the classification for that position. In the event the former position is not available, the returning employee will be offered a vacant position in that classification or will replace a probationary/trial employee in that classification.
- F. If it becomes necessary to reduce FTE's in a unit, the hospital will first seek volunteers in a unit. If there is an insufficient number of volunteers, affected employees will be reassigned in inverse order of hospital-wide seniority in the classification consistent with the reassignment procedure in Appendix D, Reassignment Procedure.

Section 2. Unit Mergers

When one or more units are merged, the following procedure will be utilized:

- (A) The unit seniority of all affected employees shall be maintained and merged into one new unit seniority list. Any shift selections or vacation scheduling in accordance with the Collective Bargaining Agreement will be based upon this merged seniority.
- (B) In the event that a unit merger necessitates the elimination of any positions, the reassignment procedure will be followed and, unless there are volunteers, the employee with the least hospital-wide seniority in the affected classification of the new merged unit will be reassigned and/or offered the opportunity to voluntarily demote.

ARTICLE XVII - ORIENTATION, CROSSTRAINING AND FLOATING

For purposes of administering the parties' orientation and crosstraining programs, the term "new employee orientation" shall mean the instruction provided to new employees upon hiring, "incumbent orientation" shall mean an instruction program of ~~twenty-four (24)~~four (4) hours or less, and the term "cross-training" shall mean an instruction program of more than ~~twenty-four (24)~~four (4) hours.

Section 1. Orientation

- A. The Employer agrees to continue the new employee orientation program for employees upon initial hire. A nurse shall not be expected to work in an area of practice to which the employee has not been oriented/cross-trained except in emergency circumstances.
- B. A RN who is new to a unit but not to the Hospital will receive orientation to that unit and to the employee's job responsibilities within it. If an RN is expected to work in more than one unit, the employee will be appropriately oriented to each unit.
- C. An incumbent employee's orientation for a new unit may be extended up to thirty-six (36) hours if the employee has not yet completed instruction on all of the items on an orientation checklist.
- D. No RN shall be required to take more than two (2) incumbent orientations during any twelve (12) month period without entering a formal cross-training program.
- E. Orientation shall be offered and floating distributed on a non-discriminatory basis.

Section 2. Crosstraining

- A. When a nurse is crosstrained, an initial assessment of competence and an organized, documented training program using ~~tools such as~~ checklists, will be provided in order to ensure the safe delivery of patient care. ~~The nurse and the person responsible for the cross-training shall mutually acknowledge in writing when the cross-training has been successfully completed.~~ Attainment and maintenance of necessary skills and competency needed to practice in the intended unit will be documented.
- B. The Employer shall continue to have the authority to determine the number of employees within a Division/Unit who are to be cross-trained. ~~Once the Employer determines the number of employees to be cross-trained, the employees will be chosen first from volunteers by unit seniority. If sufficient volunteers are not available to meet hospital needs, nurses may be assigned in inverse order of unit seniority in the classification, provided, however, that the Employer may excuse a probationary employee from being required to enter a cross-training program.~~
- C. When a Division/Unit institutes a cross-training program, it will develop a schedule to ensure that all necessary personnel are put through the program and will establish a rotational system for floating those employees who have been cross-trained. The Employer shall continue to have the authority to schedule an employee's cross-training consistent with the Division/Unit's staffing requirements.

~~D. The parties will explore cross-training across divisional lines as part of the Quality Nurse and Career Development Committee.~~

ARTICLE XVIII - LAYOFFS, RECALL AND REEMPLOYMENT RIGHTS

Section 1. Procedure

- A. Layoff, defined, is the separation of an employee for lack of work or funds as determined by the Employer; or due to the reductions in or the contracting out of services, without fault or delinquency on the employees' part.

In the event of a layoff, employees will be laid-off and recalled in accordance with the procedures established herein.

- B. The procedure will apply to full and regular part-time bargaining unit employees in the statuses of permanent, substitute, and probationary. Seniority points will be calculated for each affected employee. In calculating seniority points one (1) point will be assigned for each month of full-time service, one-half (0.5) point will be assigned for each month of part-time service. Points for months of service are simply totaled with the final number being the retention score.

All time spent on military leave of absence will be included in calculating seniority points. Seniority credit will be given to an employee who has volunteered for military service during peacetime (not eligible for military leave of absence), provided the employee is re-employed within ninety days of release from military service. Seniority credit will be given for the service time prior to and during the military service.

Qualified veterans will receive veterans' preference points equal to 5% of the highest seniority score. These points are added to the veteran's seniority score.

- C. The Employer will make every effort to give sixty (60) days notice to the Union of any decision to layoff unit members. No less than twenty-one (21) days written notice will be given to bargaining unit members who were laid-off or demoted. A copy of such notice will be simultaneously sent to the Union.
- D. In connection with the parties' commitment to the Reeducation and Skills Enhancement Program, for purposes of layoffs the parties have agreed to use three (3) lists, which are identified in Appendix E.
- E. In the event of a layoff the Employer shall select the appropriate list(s) from Appendix E. These procedures include all affected nurses in the classifications of Administrative Nurse I, Advanced Registered Nurse Practitioner (ARNP), Certified Registered Nurse Anesthetist (CRNA), Associate Nurse Manager, Certified Nurse Midwife, Clinical Care Coordinator, Clinical Nurse Specialist, Clinical Research Coordinator, Clinical Resource Nurse, Clinical Service Coordinator, Clinical Staff Nurse, Clinical Staff Nurse/Corrections Health Services, Enterostomal Therapist, Enterostomal Therapist Coordinator, Nurse Educator, Nurse Educator/Corrections Health Services, Nurse Manager, Officer of the Day-Emergency Services, Patient Placement Coordinator, Quality Management Education Coordinator, and Trauma Coordinator, including those Nurses providing services to the affected units on the list, although administratively assigned to another cost code. Layoffs will be done in inverse order of seniority by classification, within the affected list(s). Employees in the statuses of temporary relief and on-call pool, on the affected list(s), will be

terminated prior to any full-time or regular part-time employee in the bargaining unit being impacted by lay-off.

- F. Bargaining unit employees on one list are not eligible to displace employees on another list. Full-time employees will automatically bump into any classification on the affected list(s), in which they previously held permanent status.
- G. During the twenty-one (21) day notice period, nurses who have been bumped shall be given five (5) calendar days to select, by hospital-wide seniority, a reassignment to a vacant position on the affected list(s). The union will be responsible for facilitating this process.
- H. Part-time employees on the affected list(s) can only bump within the bargaining unit. It is understood that in a layoff, part-time employees may be required to move to full time status in order to exercise bumping rights. Reasonable efforts will be made to ensure that part-time employees may continue in part-time status. Full-time employees shall not be required to accept part-time positions.
- I. All time served in the higher classification will be credited as time served in lower classifications within the bargaining unit. Bargaining unit employees who previously held permanent status in classifications outside of this bargaining unit will be subject to the applicable layoff procedures of the classification to which they are displaced.
- J. For purposes of layoff only:
 - 1. Time served in these classifications in pool status will not be considered. Time served as a Nurse 1 or Nurse 2 will count as time toward a Clinical Staff Nurse.
 - 2. Time served as a Corrections Health Nurse I will count towards a Clinical Staff Nurse/Corrections Health Services classification. The time served as a Corrections Health Nurse II will count towards time in an equivalent Corrections Health Services classification, (e.g. Nurse Educator/Corrections Health Services). Time served as an Administrative Nurse I will count towards an equivalent nurse classification. Time served as a Nurse III will count towards Clinical Care Coordinator, Enterostomal Therapist, and Nurse Educator classifications. Time served as a Nurse IV will count towards Clinical Nurse Specialist, Clinical Research Coordinator, Clinical Service Coordinator, Enterostomal Therapist Coordinator, Quality Management Education Coordinator and Trauma Coordinator classifications. Time served as an Associate Nurse Manager will count towards Clinical Resource Nurse, Officer of the Day-Emergency Services, and Patient Placement Coordinator classifications.
 - 3. Those nurses enrolled in Critical Care Internships or other specialty programs internships will be considered to be members of the Division/Department sponsoring the program, rather than members of their previously assigned unit.
 - 4. No bargaining unit employee on the affected list(s) shall be laid-off in lieu of maintaining a full-time equivalent traveler, agency or TR nurse on the

affected list(s). Following a layoff, TR and agency RNs may be used during the necessary transition time specifically to cover for orientation and cross-training that may be required as a result of layoff.

- K. Employees who have been displaced will be given priority consideration for other opportunities in PHT training programs and on-call/pool vacancies.
- L. The County and PHT agree that County employees cannot bump bargaining unit employees working for the PHT nor can PHT Bargaining Unit employees bump County Bargaining Unit employees.

Section 2. Recall

- A. Employees will be recalled in inverse order of layoff. Employees that have been laid-off will have recall rights to vacancies in their previously held position for a period of two (2) years from the date of layoff.
- B. The Union will be notified of all employees on recall lists and vacancies, as offered and accepted.

ARTICLE XIX - CONTRACTING OUT

If the PHT solicits bids or proposals from the public to contract out services currently being performed by members of the bargaining unit, the PHT will notify the union. Notice of the solicitation will be provided as soon as practicable but in no event later than members of the general public are notified. If the County Commission solicits bids or proposals from the public to contract out services currently being performed by members of the bargaining unit, the PHT will provide the Union with notice as soon as it receives notice of the County Commission's solicitation.

Upon request by the Union, the PHT shall make available for inspection any and all documents publicly available relating to the services contemplated for contracting out, prior to action being taken by the Employer to accomplish the contracting out.

ARTICLE XX - REEDUCATION AND SKILLS ENHANCEMENT PROGRAM

In the interest of minimizing the need for layoffs of bargaining unit members and to prepare RN's to follow the workflow needs of the hospital, the parties agree to institute, monitor and support the Reeducation and Skills Enhancement Programs identified below and to devote time in the Quality Nursing and Career Development (QNCD) Committee to explore outside funding sources for these programs.

A. General Description of Programs:

1. Every reasonable effort shall be made to provide ongoing educational programs in Critical Care, Perioperative/OR and other specialty areas for bargaining unit members to meet staffing needs of the hospital.
2. If the PHT determines that a floatpool is necessary to meet the fluctuating census needs of the various units, it may create a full time Medical/Surgical RN floatpool and/or a Critical Care floatpool. Vacancies in floatpools will be offered first to volunteers on the basis of seniority. If sufficient volunteers are not available, the Employer may fill the remaining vacancies using regular hiring practices.
3. The hospital agrees to establish a learning center to facilitate the goals and success of the educational program.

B. Selection and Training Criteria:

1. Applicants for the programs must meet the selection criteria and basic skills established by the Employer. The Quality Nursing and Career Development Committee will discuss the selection criteria and may make recommendations to the Senior Vice President of Patient Care Services, who shall continue to have the authority to determine the selection criteria and basic skills necessary for the program. Applicants meeting the selection criteria and basic skills will be placed on a list for selection in order of hospital-wide seniority. Any qualified persons remaining on the list after a class is filled shall be ranked in order of their seniority and will be selected ahead of all other applicants to fill up to thirty percent (30%) of the openings in the next available class.
2. No RN shall be denied admittance to a program because of short staffing in his/her unit or division.
3. Program preceptors shall be selected for their clinical, educational and interpersonal communication skills. Preceptor courses will be continued and made available to interested nurses. Reasonable efforts will be made to adjust the preceptor's assignment while serving as a preceptor.
4. If a bargaining unit member with permanent status fails to successfully complete the program, he/she will return to his/her previous position and unit, if available, or other comparable position within the division.
5. The probationary period in a new position shall begin at the conclusion of the reeducation and unit orientation program.

6. All employees who successfully complete the Critical Care internship shall identify their ICU areas of interest and shall be interviewed for those available positions. They shall be selected in areas of need through the standard interview and selection process. As long as ICU area vacancies exist, each bargaining unit member shall be placed in such setting.

ARTICLE XXI - GROUP INSURANCE

- A. The ~~County's and~~ PHT's contribution for group health insurance shall not exceed the amount it contributes toward single employee coverage and no contribution shall be made for dependent coverage.
- B. The parties agree that bargaining unit employees will be offered the opportunity to become members of a qualified Health Maintenance Organization pursuant to law and in accordance with all rules, regulations, and procedures pertaining thereto prescribed by the Employer and the qualified Health Maintenance Organization.
- C. The parties agree that bargaining unit employees will be offered the opportunity to participate pursuant to law and in accordance with all rules, regulations, and procedures pertaining thereto prescribed by the Employer and the Internal Revenue Code.
- ~~1. The PHT will provide a \$10.00 biweekly contribution to the Flexible Benefits Plan to employees enrolled in the JMH Health Plan HMO.~~
 - ~~2. The County/PHT will continue to provide an annual \$1,000 contribution to the Flexible Benefits Plan paid in biweekly increments for County/PHT employees eligible for group health insurance or the Flexible Benefits Plan.~~
 3. All employees enrolled in the County/PHT's Point of Service/Managed Health Care Group Insurance Plan shall be required to pay three percent (3%) of the cost of single coverage of this plan.
 2. All bargaining unit members shall be required to contribute five percent (5%) of base wages toward the cost of coverage for group health insurance. The deduction shall be in pre-tax dollars to the extent allowable by law.
- D. The Union will have the option, in accordance with the specific terms and conditions contained in Appendix F which is attached hereto and made a part hereof by reference, to offer bargaining unit employees a Union-sponsored health insurance plan provided a minimum of one hundred (100) nurses enrolled in the Plan.

ARTICLE XXII – NURSING REPRESENTATION ON COMMITTEES

- A. The parties are jointly committed to the principle of nurse participation in all standing and special committees which discuss and recommend action which affects delivery of nursing care or the conditions under which nurses work.
- B. To this end, bargaining unit nurses will be included as full members of all such committees. The number of bargaining unit nurses included on any particular committee, where not separately specified elsewhere in this Agreement, shall be by mutual agreement between the parties.
- C. The selection of the individual nurses to serve on each committee shall in all cases be at the discretion of the Union, which shall inform the Employer in writing of the names selected. Whenever more than one (1) nurse is to be included on a committee and the committee composition is not separately specified elsewhere in this Agreement, the Union will endeavor to select committee nurses who are interested in the work of the Committee from different areas, shifts, etc., of the bargaining unit.

 - (7) Introduce new or improved methods, operations or facilities;
 - (8) Hire, promote, transfer or assign employees;
 - (9) Schedule overtime work as required;
 - (10) Contract out for goods and services;
 - (11) Establish health care policy and determine relationships between the Employer and governmental, educational and community agencies.
- C. The parties acknowledge that during the negotiations which preceded this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to the subject or matter and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. This Agreement, including its supplements and exhibits attached hereto, concludes all collective bargaining between the parties during the term hereto, and constitutes the sole, entire and existing Agreement between the parties hereto, and supersedes all prior Agreements and undertakings oral and written, express or implied, or practices, between the Employer and the Union or its employees, and expresses all obligations and restrictions imposed on each

of the respective parties during its term. The parties further agree that all preexisting MOU's, side letters, side agreements, settlement agreements and agreements of any type are void unless incorporated into this contract.

ARTICLE XXVI - TOXICOLOGY AND ALCOHOL TESTING

The Employer and the Union recognize that employee substance and alcohol abuse can have an adverse impact on Miami-Dade County government, the PHT's operations, the image of employees and the general health, welfare and safety of the employees, and the general public.

The Employer shall have authority to require employees to submit to toxicology and alcohol testing designed to detect the presence of any controlled substance, narcotic drug, or alcohol. The Employer agrees that requiring employees to submit to testing of this nature shall be limited to circumstances that indicate reasonable grounds to suspect that the employee is under the influence of such substances, suffers from substances or alcohol abuse, or is in violation of the Personnel Rules or Departmental Rules and Regulations regarding the use of such substances. Employees reasonably believed to suffer from substance abuse may be referred, at the department's discretion, to the Employee Assistance Program. An employee who voluntarily seeks assistance for substance abuse may not be disciplined for seeking assistance. However, voluntary participation in a substance abuse program shall not preclude discipline for the employee should job performance or employee conduct issues arise.

It is further understood by the parties that the aforementioned authority to require that employees submit to such testing be approved by a division director, or higher authority within the department to ensure proper compliance with the terms of this article. An employee who is to be tested in accordance with the provisions of this article, will be permitted to make a phone call to the Union. This phone call shall not prevent, inhibit, or unreasonably delay the testing of such employee.

The results of such test or the employees' refusal to submit to toxicology or alcohol testing as provided for in this article, can result in appropriate disciplinary action in accordance with the applicable provision of the County Code, the Personnel Rules, Departmental Rules and Regulations and this Collective Bargaining Agreement.

The parties agree that toxicology and alcohol testing are an acceptable part of regularly scheduled Employer required physical examinations.

ARTICLE XXVII - PHYSICAL AND PSYCHOLOGICAL IMPAIRMENTS

A department director or their authorized representative(s) shall have the authority to require employees that have been determined, through reasonable suspicion, by the Department to possibly suffer from a physical, psychological or psychiatric impairment which may prevent the employee from satisfactorily performing the complete duties and responsibilities of his/her position, to submit to a physical, medical, psychological, or psychiatric examination deemed necessary for purposes of determining the employee's fitness to perform the complete duties and responsibilities of his/her position.

Such examinations will be performed by a physician approved and appointed by the Employer. The results of such examination(s) shall be promptly furnished to the concerned department director or their authorized representative. The results of the applicable information submitted by the examining physician to the Employer should be limited to information that is pertinent to the issues of the employee's ability to perform the duties and responsibilities of his/her position.

Based upon the results of such examinations, and other relevant information, the department director may place the employee on either paid or unpaid compulsory leave in accordance with the provision of the Leave Manual until such time as the department is satisfied that the employee can return to work. The department may require the employee or attending physician to furnish additional pertinent medical reports or information deemed necessary while the employee is on compulsory leave. The period of compulsory leave shall not exceed one (1) year. Should the condition be corrected and so certified by the attending physician or psychologist, the employee may petition the Department for reinstatement. If the employee's petition for reinstatement is denied by the department, disciplinary action must be initiated by the department in accordance with the Personnel Rules. Nothing in the provision of this article shall prevent the concerned department from administering appropriate disciplinary action in accordance with the Personnel Rules and this Collective Bargaining Agreement.

ARTICLE XXVIII - ASSIGNABILITY OF CONTRACT

~~_____ The provisions of this Agreement shall be binding upon the parties hereto and upon their successors and assigns for the full term of this Agreement. The parties agree that the terms and obligations herein contained shall not be affected, modified, altered or changed in any respect by the transfer or assignment by the Employer of any or all of its property, control, ownership or management or by any change in the legal status of the Employer or any part thereof.~~

ARTICLE XXIX - MISCELLANEOUS

Should any part of this Agreement or any portion herein contained be rendered illegal, legally invalid or unenforceable by a Court of competent jurisdiction, or by the decision of any authorized governmental agency, such invalidation of such part or portion of this Agreement shall not invalidate the remaining portion thereof. In the event of such occurrence, the parties agree to meet immediately, and, if possible, to negotiate substitute provisions for such parts or portions rendered or declared illegal or invalid. The remaining parts and provisions of this agreement shall remain in full force and effect.

ARTICLE XXX - STRIKES AND LOCKOUTS

There will be no strikes, work stoppages, picket lines, slowdowns or concerted failure or refusal to perform assigned work by the employees or the Union and there will be no lockouts by the Employer for the duration of this Agreement. The Union guarantees to support the Employer fully in maintaining operations in every way.

Any employee who participates in or promotes a strike, work stoppage, picket line, slowdown, or concerted failure or refusal to perform assigned work may be discharged or otherwise disciplined by the Employer.

It is recognized by the parties that the Employer and the Union are responsible for and engaged in activities which are the basis of the health and welfare of our citizens and that any violation of this section would give rise to irreparable damage to the Employer and to the public at large. Accordingly, it is understood and agreed that in the event of any violation of this section the Employer shall be entitled to seek and obtain immediate injunctive relief. However, it is agreed that the Union shall not be responsible for any act alleged to constitute a breach of this section if it can show that the Union did not instigate, authorize, condone, sanction or ratify such action, and further, that the Union has used every reasonable means to prevent or terminate such action.

ARTICLE XXXI - TERM OF AGREEMENT

- B. The collective bargaining agreement between the PHT, Miami Dade County and Local 1991, Service Employees International Union, shall be effective October 1, 20~~11~~¹⁰ and continue to September 30, 20~~11~~¹⁴.

SEIU has the right to reopen this Agreement to discuss issues related to personal leave/vacation cashout, Article XIII, Section 1(H) upon implementation of information technology changes.

Such reopener shall be subject to mechanisms of Chapter 447, including impasse procedures.

ARTICLE XXXIII - Nurse Staffing Ratios

Jackson Health System (JHS) agrees to the establishment and maintenance of a policy relating to the care delivery model which will be implemented throughout JHS in appropriate areas. JHS agrees to receive input from the SEIU union in the establishment and maintenance of this policy.

Pursuant to that model, the employer, with input and assistance from the Union, will create a Nurse Staffing Ratio policy within the model, within 90-120 days of ratification of this agreement. Reassignment Procedure

If it becomes necessary to reduce the FTE's in a unit, the hospital will first seek volunteers in the unit. If there is an insufficient number of volunteers, affected nurses will be reassigned in inverse order of hospital-wide seniority in the classification, consistent with the following reassignment procedure:

- 1) Meeting dates will be scheduled with the Senior Vice President, Patient Care Services, the Director of Patient Care Services, Labor Relations and the Union to discuss the reassignment.
- 2) Appropriate available positions on the affected list will be frozen.
- 3) The Employer will notify the Union, in writing, of the affected unit(s), the affected nurses by name, hospital-wide seniority date by classification, the appropriate available positions in the affected classification and the effective date of reassignment.
- 4) The number of volunteers, in the affected classification(s), accepted from each affected unit(s) will not exceed the number of FTE's being reassigned from that unit. Volunteers from the affected unit(s) will be accepted on a hospital-wide seniority basis in the classification(s).
- 5) The volunteer reassignment process will generally be completed within two weeks of notification to the employee(s). Notification of involuntary reassignments will be completed within 72 hours of completion of the voluntary process.

- 7) The unit seniority of the affected nurses shall be maintained and merged into one unit seniority list. Any shift selections or vacation scheduling in accordance with the Collective Bargaining Agreement will be based upon the merged seniority.
- 8) This procedure will not be used in the layoff procedure of the Collective Bargaining Agreement.

The units identified herein are based upon the current geographic configuration of the PHT. The parties agree that the placement of a unit on a list is based on the unit's function, not its name or location. The parties further agree that nothing herein shall prevent the Employer from relocating units within its facilities so long as the essential functions of the units remain the same. Units that are merely relocated or renamed will remain on the same list. In the event a new unit is created or two or more existing units are merged, the new or merged unit will be placed on the list that contains units with the most similar functions. For classifications and/or locations not listed here, the parties will meet to appropriately place these nurses on a case by case basis.

APPENDIX F

UNION-SPONSORED INSURANCE PLAN

~~Service Employees International Union (SEIU), Local 1991, herein after referred to as the Union, the Public Health Trust herein after referred to as the Employer, agree that the Union shall have the right to offer employees in the SEIU bargaining unit an optional alternative health insurance plan beginning on January 1, 1998, under the following conditions:~~

~~1. Schedule~~

~~The offering of any Union-sponsored plan will be made in accordance with the following schedule:~~

~~June 1, 1997. The Employer will provide to the Union a statement specifying the Employer's average cost for health insurance for employees in the bargaining unit as of January 1, 1997, based on the formula:~~

$$\frac{\text{Total Projected Cost of Insurance Paid by the Employer on Behalf of Unit Members for 1997}}{\text{Total Number of Participating Employees in the Unit}}$$

~~June 30, 1997. The Union will provide to the Employer, in writing, a statement as to whether it plans to make available a Union-sponsored insurance plan.~~

~~August 1, 1997. The Union will provide to the County a written description of its plan design and the rates it expects to charge employees. This date may be extended up to fifteen (15) days by mutual agreement. If the required information is not supplied by this date or the parties have not mutually agreed to extend the date, it will be assumed that the Union has decided not to offer a Union-sponsored plan, and employees will not be offered such an option.~~

~~September 1, 1997. The Union will provide the Employer with sufficient copies of plan descriptions to distribute to employees. The Employer will make such copies available to unit members in the same manner as copies of plan descriptions for the Employer's own plans are made available. The same date will be used in subsequent years.~~

~~December 1, 1997. The Employer will provide the Union with a reconciled calculation of the rate it will contribute to the Union-sponsored plan based on actual enrollment in the plan, calculated in accordance with the following paragraph.~~

~~2. At the beginning of the last pay period immediately prior to the effective date of open enrollment for 1998, the Employer will advance to the Union the Employer's portion of the insurance premium attributable to Union Plan enrollment for the first pay period in 1998, as calculated below.~~

~~3. Calculation of Employer Contribution Rate~~

~~(a) The parties understand that this agreement to provide for a Union-sponsored insurance plan is based on the Union's assistance that whatever insurance plan it offers, it will not result in an increase in the amount the Employer spends on insurance for members of this bargaining unit.~~

~~(b) To effectuate this purpose, the parties agree that:~~

~~(1) The Employer's contribution to the Union-sponsored plan in 1998 will be calculated as follows:~~

E/es Former Plan (1)	# of Participating Electing Union Plan	Projected Cost of Plan Per E/e in 1998 (2)	Projected Cost To County Assuming No Union Plan
BCBS (POS)	N1	C1	N1 * C1
AvMed	N2	C2	N2 * C2
CAC	N3	C3	N3 * C3
JMH	N4	C4	N4 * C4
Total Participating E/ees Electing Union Plan		Total Projected Cost for Participating E/es Electing Union Plan	

~~Reconciled Cost Per Participating Employee= (Weighted Average) = $\frac{\text{Total Projected Cost for Participating E/es Electing Union Plan}}{\text{Total Participating E/es Participating in Union Plan}}$~~

~~1 The insurers are those currently being used by the Employer and are subject to change. The list of insurers is intended to serve as an example of how contributions are to be calculated, not to restrict the Employer's selection of insurers.~~

~~2 Cost of plan shall include the Employer contribution for the single member premium plus any amount paid to the employee as an incentive to join the plan, as specified in Article XVII, Group Health Insurance, of the Collective Bargaining Agreement.~~

~~3 (b) (1) Continued.~~

~~The Employer contribution to the Union-sponsored plan on behalf of each employee electing the Union plan will be equal to the Reconciled Cost Per Employee, paid on a bi-weekly basis and on the same terms as such contributions are made to Employer health insurance plans; provided, however, that the first bi-weekly payment after the advance payment referred to in Paragraph 2 above, shall be equal to the difference, if any, between the amount already paid and any amount still due for that pay period.~~

~~(2) The Employer's contribution to the Union-sponsored plan on behalf of each employee electing the Union plan for 1999 will be the 1998 Reconciled Cost Per Employee plus an adjustment for inflation in the Employer's cost of health insurance, if any. The inflation adjustment shall be the 1998-1999 rate increase in~~

~~the Employer's insurance cost per employee, but in no event shall the Employer's contribution per employee to the Union-sponsored plan exceed the Employer's contribution to its POS plan per employee.~~

~~The Employer's 1998-1999 rate increase per employee shall be calculated as follows:~~

Plan	# of Participating E/es in Bargaining Unit in Plan as of 1998 Open Enrollment	\$ Increase Per E/e	\$ Increase to County
BCBS	P1	I1	P1 * I1
AvMed	P2	I2	P2 * I2
CAC	P3	I3	P3 * I3
JMH	P4	I4	P4 * I4
Total Participating E/es in Bargaining Unit			Total Increase to County
County Increase per Ee =			$\frac{\text{Total Increase}}{\text{Total Participating E/es in Bargaining Unit}}$

~~(3) The Union shall have the right to decide whether it will offer dental/vision insurance and life insurance in addition to medical insurance. Should the Union decide to offer such insurance, it will notify the Employer of its intent to do so by July 1, of the year preceding the year in which the Union intends to offer such insurance. For example, if the Union wishes to offer life insurance in 1998, it will notify the Employer of its intent by July 1, 1997.~~

~~In calculating the Employer's contribution to the Union-sponsored plan for dental insurance, the same rate formula as for health insurance will be applied. The Employer's contribution to Union-sponsored life insurance plan shall be the same as its per employee contribution to the County's own plan. If the Union offers a dental or life insurance plan, employees electing the Union-sponsored medical plan will automatically be placed in the Union's dental and life insurance plan.~~

~~4. Employees will be allowed to switch to a different plan only during open enrollment.~~

~~5. The Union will have its plan independently audited annually in a professionally acceptable manner and provide copies of the audit to the Employer on request. The audit shall include complete paid claim information, including Diagnostic Related Groups, separated by total employees and dependents.~~

~~6. An employee shall become eligible to begin receiving Employer contributions to the Union-sponsored plan on his or her behalf at the same time and on the same conditions as the employee would be eligible to receive contributions to an Employer-sponsored plan.~~

~~7. The parties understand that nothing in this Exhibit prohibits the Union from establishing or participating in a Health Trust Fund which may include two or more local bargaining units. In the event the Association does decide to establish or participate in such a Trust Fund, it~~

~~will assume all responsibility for ensuring that the Trust is established and operated in accordance with all applicable federal, state, and local laws and regulations.~~

~~SIDE LETTER -1~~

~~CERTIFIED REGISTERED NURSING ANESTHETISTS (as per Side Letter Agreement attached)~~

~~SIDE LETTER 2~~

~~JACKSON SEIU/MANAGEMENT PARTNERSHIP TO IMPROVE THE JACKSON HEALTH SYSTEM~~

~~OBJECTIVES:~~

~~The parties agree to form a Union/Management Partnership that is voluntary and non-binding to meet the following objectives:~~

~~To create a high quality, high efficiency health care delivery system by establishing a constructive dialogue between healthcare professionals and management in order to identify key structural and system challenges facing the PHT/JHS and to jointly design and implement possible solutions; including revenue enhancement and local, state and federal legislative issues that benefit the PHT/JHS.~~

~~To establish operational and cost efficiencies leading to the long term growth and sustainability of JHS as a regional health care provider and employer.~~

~~To create a high level of patient satisfaction.~~

~~To create a work environment that identifies JHS as the employer of choice in the region, and results in superior employee satisfaction and healthy and safe work environments.~~

~~Promote the Jackson Health System and the Jackson Memorial Hospital Health Plan as the providers of choice for County employees and all Miami-Dade County Governmental employees' health care benefit plans and needs.~~

~~PARTICIPATION AND GROUND RULES~~

~~Participation in the Partnership is not collective bargaining and will be voluntary. The meetings will be held at mutually agreed times. Alliance participation sets no precedent and is not a waiver of any rights or contracts between the parties. Any party may cease participation at any time upon prior written notice. The Alliance process will be fully transparent and any communications jointly issued from the Alliance must be pre-approved by both parties.~~

~~THE PARTIES AGREE:~~

~~To create an exploratory Steering Committee with up to seven key JHS operations managers and up to seven top SEIU 1991 representatives.~~

~~To pay all union Steering Committee members for their participation in accordance with terms of the collective bargaining agreements.~~

~~To hire jointly agreed upon facilitators and consultants with experience in the creation of health care union/management partnerships. The union agrees to contribute \$25,000 toward the costs of the services rendered by the facilitator/consultant.~~

~~To utilize the services of in-house personnel and external experts, selected jointly, to assist with creating detailed agreements that define project plans to meet stated objectives.~~

~~To fully disclose organizational data of both parties with the exception of those documents protected by law as is necessary to guide the identification of appropriate areas of joint work.~~

~~To begin meeting within two weeks of a ratified agreement, and no less than twice monthly.~~

~~To distribute pre-approved and agreed upon joint communications.~~

~~The parties agree that the decision to accept the Alliance/Partnership's recommendations is at the sole discretion of the leadership of the JHS/PHT.~~

~~The parties recognize that the PHT may engage in separate cooperative initiatives with other work groups outside the 1991 bargaining unit(s). PHT and SEIU Local 1991 may jointly choose to invite such other groups and/or other labor organizations as guests to the SEIU/Management Partnership project(s) when deemed appropriate.~~

Side Letter — 3 PENSION

~~The PHT shall have the option to offer a defined contribution 401A retirement plan as an alternative to the PHT defined pension benefit plan to bargaining unit employees hired after the ratification date of this agreement. Enrollment in such plan will be voluntary. These employees will continue to have the option to enroll in the defined benefit plan.~~
