

## ***2014 Bargaining Team Job Responsibilities***

1. **Attend Bargaining Team training on June 20, 2014.**
2. **Participate in survey distribution and collection, proposal development, and contract ratification.**
3. **Attend all bargaining preparation meetings and all negotiating sessions, as work schedule permits. Meetings will be scheduled to accommodate members' schedules and shifts as much as possible.**
4. **Serve as liaison to members in your unit, job class and/or designated area(s). Communicate information from bargaining team; bring back responses to team; inform and encourage participation in contract related worksite actions.**
5. **Help build the Union to win a good contract by signing up members, distributing literature and keeping the members informed.**

**Note:**

**Serving on the team will involve a considerable amount of time, both at the bargaining table and in communication with your area and coworkers**
